Anders, the Executive Secretary of the Council, when Mr. Anders was briefed here by Mr. Lundahl January 13th, and that he [redacted] would like to bring over several other White House staff members to receive a similar briefing next Tuesday or Wednesday afternoon (February 10 and 11).

2. [redacted] identified the persons who would come with him as follows:

[redacted]

3. At Mr. Lundahl's direction, I called [redacted] back, begging off for February 10th and 11th, and saying that we should be able to confirm by the afternoon of February 6th whether the requested briefing could be given February 12th or 13th, or at some later date. [redacted] agreed to the arrangement, saying that of the two dates next week he and his party prefer the 12th, and that he will expect to hear from us on the 6th.

Bob,

- Good.
 - See my scratches.
 - Re para 6 - Let's make this a separate memo, in which we give more info about the number of NPIC tech people interested, what kinds of professionals they are, and what kinds of things they want to know about OSI. Maybe  can advise. This memo can go later.
